did you know 2016 is our 10th year in business?

that's here in belmont, as we opened our first brick & mortar in arlington in 1983. we also had great success in westwood followed by needham until 1999. after a brief hiatus, vicki opened her belmont shop in 2006.

we're so excited about the growth of vicki lees over the last 10 years, especially our expansion into corporate catering in 2016. more growth is on the horizon as our catering business takes off, a cookbook on the way, and the pleasure of our chef jason coming in as a partner.

visit us at vickilees.com to learn more about our shop, caterina, and to connect with us on social media
